Columbus Day USA Parade

Throughout the marching season, from the first day to the last, there are so many people behind the scenes who help make the finished product what it really is. To those parents, teachers, administrators, school staff personnel, fellow students, friends, and fans of the band, we offer a special thanks. Without you, our enjoyment and success would not be possible.

A very special thanks goes out to the Fairfield Union Music Boosters, that incredible group of parents who always supply our material needs, pay to transport us everywhere, who always gives us that extra loud cheer at a game, contest, or parade, and who support us in times of defeat as well as joining us in our parades of victory. Without their continued support throughout the school year, we would never take the first step on the field in the fall.

We look back at what has been a season full of surprises, excitement, fun, and victory, as well as defeat, and we truly feel proud to have been members of the "Marching Falcons", a part of our life that will be treasured always.

Refreshments will be served to all in attendance following the program in the cafeteria -- courtesy of the Fairfield Union Music Boosters.

Programs courtesy of the Senior BOE Class, Mrs. Louise Eyman, instructor.
