## THE YEAR IN PERSPECTIVE

As we look back several months to those first days of September and the start of school, we realize that many exciting and interesting things have already taken place this year in the music department.

As always, each year begins with the busy activities of the "Marching Falcons". We look back with pride at having received first place championships at the Battle of Bands in Washington, Pa., and at the Pickerington Marching Festival. We were also extremely proud of our Color Guard for their first place finish at the Pickerington Marching Festival.

In addition to the home and away football games, the "Marching Falcons" appeared in the Millersport Sweet Corn Festival Parade, at which Lisa Trocchia, our Sweet Corn Queen Candidate was crowned queen, the Columbus Day USA Parade, and they gave another unforgettable performance at the Fairfield County Fair.

The marching season came to an exciting close with the annual "Marching Falcons In Concert" and the Marching Band Banquet. At the banquet, Tom Page was selected for the Outstanding Marching Band Member Award. Frank Hillyard, Sally Lemert, Mark Springer, and Kelley Daniel were selected as runnersup from their respective classes. This marked the first year that the "Marching Falcons" made an album of their annual "Marching Falcons In Concert".

Many of you have been involved with the music department in the past, either with the "Marching Falcons" at such places as the Indianapolis 500, the Cherry Blossom Festival in the nation's capital, the Macy's and Gimbel's Thanksgiving Day Parades, or with the Assembly Singers and ELJWB at their many performances, including many performances on radio or TV, or you may have attended one of our musicals, our Variety Show, or one of the recitals on the Recital Series. These are moments of the past that we are proud of, and none of it would have been possible without the help and cooperation of the parents, teachers, school administrators and staff, and the Music Boosters, which without their support, many of our trips, instruments, and uniforms would never have been realized. We thank you all and hope for your continued support. We welcome you to our annual instrumental concert and hope you enjoy our program.
