ABOUT THE PERFORMING GROUPS

ELJWB

The school's jazz ensemble, the members of "ELJWB" are selected by audition in mid-October from interested students that play saxophone, trombone, trumpet, guitar, piano, and drums. Throughout the year, students perform a wide variety of music including jazz, rock, and music of popular nature. ELJWB performs frequently at banquets, school assemblies, dances, and other events in the community.

WIND ENSEMBLE

The high school Wind Ensemble was first formed six years ago, in order to better enable the more advanced student a better opportunity to explore some of the best literature suited for high school players. Designed so that in most cases there is only one person on a part, each member's contribution is necessary and vital to the group, and accuracy of playing, in addition to fine intonation and tone production are essential to the overall sound of the ensemble.

The Wind Ensemble performs annually at most school assemblies, including the Honor Society Tapping Service, the Christmas Assemblies, and Commencement.

Each year, in March, the Wind Ensemble participates in the Ohio Music Educators Association District Band Competition. Having participated the past four years, the group has earned a II rating in 1975, and received I ratings at the district level in 1976, and 1977. The group also earned distinction for itself by receiving the I rating at state level contest, both in 1976, and 1977. The Wind Ensemble participates in District Contest this coming Saturday, March 11 at Upper Arlington.

CONCERT BAND

The Concert Band is formed in November, following the marching band season. Membership and seating is determined by audition.

The Concert Band performs annually at the Instrumental Concert and the Music Fair, and provides the student an opportunity to further develop playing skills essential for the performance of band literature. Ninety-nine students, grades 9-12, participate in this year's group.

For the first time in the history of the concert band, the group will participate in the District Band Competition, Saturday, March 11.
